

## § 1310.2

644(a) and (c) and 645A(b)(9) of the Head Start Act, this part also requires Head Start, Early Head Start, and delegate agencies to provide training in pedestrian safety and to make reasonable efforts to coordinate transportation resources to control costs and to improve the quality and the availability of transportation services.

### § 1310.2 Applicability.

(a) This rule applies to all Head Start and Early Head Start agencies, and their delegate agencies (hereafter, agency or agencies), including those that provide transportation services, with the exceptions provided in this section, regardless of whether such transportation is provided directly on agency owned or leased vehicles or through arrangement with a private or public transportation provider. Transportation services to children served under the home-based Option for Head Start and Early Head Start services are excluded from the requirements of 45 CFR 1310.12, 1310.15(c), and 1310.16. Except when there is an applicable State or local requirement that sets a higher standard on a matter covered by this part, agencies must comply with requirements of this part.

(b) Sections 1310.12(a) and 1310.22(a) of this part are effective January 18, 2006. Sections 1310.11 and 1310.15(c) of this part are effective June 21, 2004. Paragraph (c) of this section and § 1310.12(b) of this part are effective February 20, 2001. All other provisions of this part are effective January 18, 2002.

(c) Effective February 20, 2001 an agency may request a waiver of specific requirements of this part, except for the requirements of this paragraph. Requests for waivers must be made in writing to the responsible Health and Human Services (HHS) official, as part of an agency's annual application for financial assistance or amendment thereto, based on good cause. "Good cause" for a waiver will exist when adherence to a requirement of this part would itself create a safety hazard in the circumstances faced by the agency. Under no circumstance will the cost of complying with one or more of the specific requirements of this part constitute good cause. The responsible HHS official is not authorized to waive
